Nominations

Names of the candidates along with documentation of titles and scoring achievements, service history and qualifications considered essential for making nominee eligible for the Hall of Fame must be presented to the Kaw Valley USBC association manager by March 31st each year.

Selection Process

The KV USBC President (with assistance from the KV USBC Association Manager) will submit redacted information about each nominated candidate to the members of the Hall of Fame Committee. Only the KV USBC President or Association Manager will know the identities of each candidate. After discussing the merits of each candidate, the committee will vote. The candidate must receive a yes vote from two-thirds of all committee members to pass the first step. If the candidate receives the votes to pass, his/her name will be announced to the committee. If a committee member believes there is a reason why this person should not be elected, the committee will discuss. Another vote will take place, and it will take a majority vote to remove that person from consideration. Any candidate not elected on the first year of submission will be considered the following year.

Candidates presented to KV USBC board in May may disqualify a candidate only for undetermined reasons that can cause harm to KV USBC and the Hall of Fame

At the Annual meeting, Candidates will be voted on by members of the KV USBC Board of Directors and Hall of Fame members attending. Candidates must receive 66% of the vote to be elected.
